

# A Child's War

**Name**

These activities are for you to do at home. You can do all of them or choose the ones that you find most interesting.

## Activities

1. Use a range of sources, including information books and the internet, to find out about some of the Second World War's key events. Choose five events and record information about them in the table in chronological order.

Date	Event
1939	Adolf Hitler invaded Poland on 1st September. Britain and France declared war on Germany two days later. The USA declared neutrality but continued to supply Britain with essential supplies.

2. This image shows the evacuation of children during the Second World War. Write a definition to explain the meaning of the words 'evacuation' and 'evacuee'. Then, use the internet to find out more about evacuation during the war. Record your findings and describe how it might have felt having to cope with evacuation from a child's and parent's point of view.

4. During the Second World War, food was scarce in Britain and the government rationed food. A typical ration for one adult per week was:

- 4oz bacon and ham
- 2oz butter
- 2oz cheese
- 4oz margarine
- 4oz cooking fat (lard)
- 3 pints milk
- 8oz sugar
- 2oz tea
- 1 egg, if available

Convert ounces to grams and use kitchen scales to see how much this weekly ration was. Then, use the internet or information books to find out more about rationed foods and rationing during the Second World War. Record your findings.

6. Use a range of sources to create a non-chronological report about the Blitz around Britain. Note down and group your findings on a mind map, then use this to create your non-chronological report. Include a title, opening paragraph, subheadings, interesting facts, precise topic vocabulary and images with captions. Once complete, share your report with a family member.
7. During the war, people kept themselves safe from bombing attacks by using gas masks, Anderson shelters and Morrison shelters. Use a range of sources to find out about these safety measures, then complete the table to record your findings.

Safety item	Description	How it protected people
 <p data-bbox="311 1048 466 1086">Gas mask</p>		
 <p data-bbox="247 1451 528 1489">Anderson shelter</p>		
 <p data-bbox="252 1854 523 1892">Morrison shelter</p>		

8. Use a range of sources to find out about the Battle of Britain, which was a military campaign during the Second World War. Use your research skills to answer the questions.

When did the Battle of Britain happen, and how was it caused?

---

---

---

Where was the Battle of Britain fought, and who was involved?

---

---

---

What technology did the British army use to give them an advantage in the Battle of Britain?

---

---

---

Britain's plan worked, and Germany eventually realised that they had failed to gain control over the skies. What happened in Britain after the battle?

---

---

---

9. Read an abridged version of Anne Franks' diary, such as *Anne Frank – The Diary of a Young Girl* by Mirjam Pressler, to learn about what life was like for Anne and her family during the Second World War. After reading, discuss what you have learned about Anne Frank, with a family member.

**10.** Finish your home learning by writing a summary of the topic, explaining what you have learned about the Second World War.
