

Dear Parents and Carers,

We have had a busy couple of weeks to start the last half term of this academic year and we have already packed so much in. It is at last beginning to feel like summer and the sun is shining and the pollen count is high!!

Sports Day

Thanks to everyone who came to support our Sports Day. We had a brilliant day across all three events and the atmosphere was brilliant. I hope you all enjoyed the event.

Open Evening

Thank you to everyone who came to our Open Evening on Wednesday evening. Again, it was lovely to see so many of you here and getting a chance to view some of your children's work. We hope you enjoyed it.

Phonics Screening/Multiplication Check

Year 1 have completed their Phonics Screening check and Year 4 have completed their Multiplication check. Scores from these will be included alongside the end of year reports.

Chocolate Bingo and Summer Fair

Chocolate Bingo returns to St. Monica's after school on Thursday 27th June and the annual Family and Friends of St. Monica's Summer Fair takes place on Saturday 13th July. Tickets for Chocolate Bingo are now available from the school office. See you all there!

New classes

I know lots of you will be keen to find out new classes and teachers etc. and this work is ongoing at the moment. We will let you know once this process is complete and will update you as soon as we can.

Have a great weekend,

Mr Doherty

'The Kindness Principle

'There can be no keener revelation of a society's soul than the way in which it treats its children.'

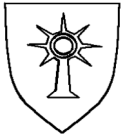

Nelson Mandela

Kindness is defined as the quality of being friendly, generous and considerate. Affection, gentleness, warmth, concern, and care are words that are associated with kindness. While kindness has a connotation of meaning someone is naive or weak, that is not the case.

Being kind often requires courage and strength.'

Karyn Hall
